

PATHWAYS OF PURPOSE:

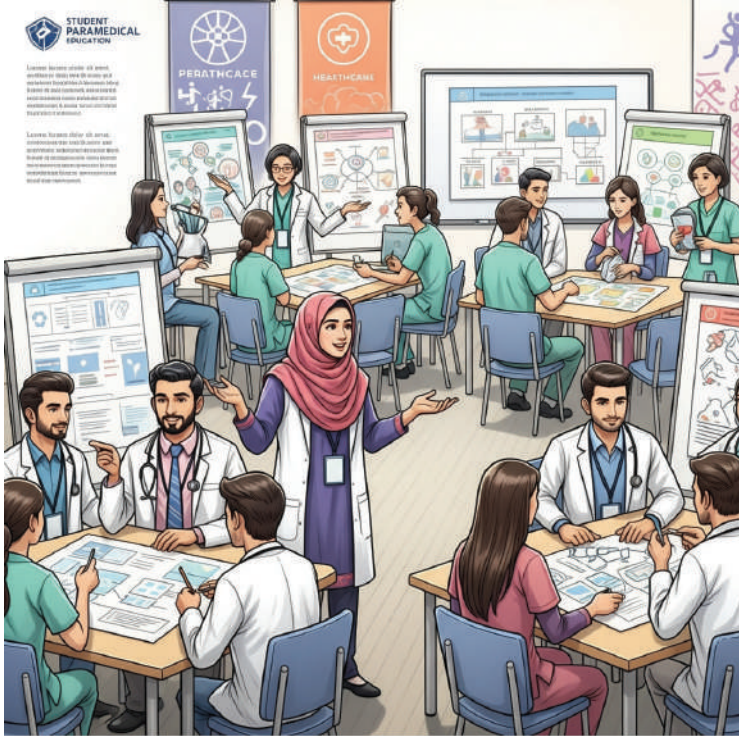

Allied Health Student
Conclave 2025

20th September 2025

Shama Institute of Medical Sciences, Bengaluru

Organized by
Shama Institute of Medical Sciences (SIMS)
(Affiliated to Karnataka State Para Medical Board)

About the Conclave

Empowering Allied Health Sciences for Tomorrow

The Allied Health Sciences (AHS) domain is the foundation of modern healthcare, encompassing essential roles that support diagnosis, treatment, and patient well-being.

Shama Institute of Medical Sciences (SIMS) is committed to empowering first-generation learners from financially deserving backgrounds through career-focused para-medical education. Offering diplomas in Medical Laboratory Technology, Imaging, Operation Theatre & Anaesthesia, and Dialysis Technology, SIMS also focuses on holistic student growth through life skills and communication training.

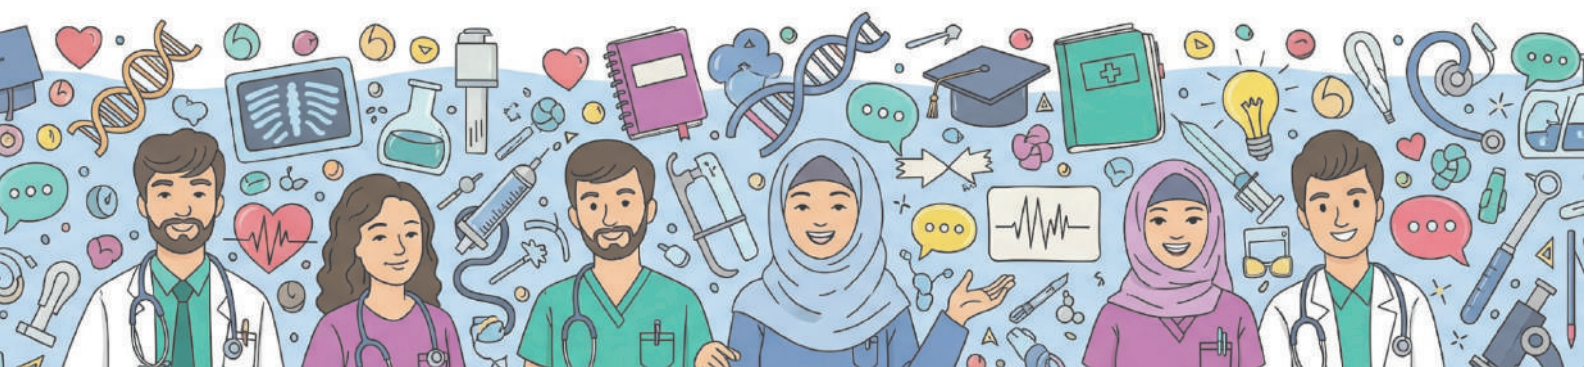

The Pathways of Purpose: Allied Health Student Conclave 2025 is a student-centric platform to explore, engage, and elevate. Through a blend of keynote sessions, student presentations, and interactive forums, it opens doors to inspiration, visibility, and professional connections.

Who Should Attend?

- Students
- Faculty from Allied Healthcare Institutes
- Young Healthcare Professionals in Allied Healthcare Field

Why Attend?

- ✓ Exposure to diverse roles in AHS
- ✓ Learn from leading experts in healthcare
- ✓ Present your ideas and research
- ✓ Network with peers, mentors, and institutions
- ✓ Discover emerging trends in the field

Call for Abstracts: Shape the Future of Allied Health!

We invite Allied Health Science students to share insights, innovations, and reflections through oral and poster presentations at the conclave.
